<b>June 6</b>	<p><a href="#">Literacy: Empowering Literacy- Strategies for K-12 Educators</a>  Join Kristen Earich, SST15 and Julie Mayo, Lawrence County ESC, for an engaging workshop designed to enhance literacy instruction in grades K-12. The presentation will delve into key components essential for developing strong literacy skills, including phonemic awareness, phonics, fluency, vocabulary, comprehension, and writing. Educators will explore evidence-based strategies and practical techniques to effectively address each aspect of literacy instruction, catering to diverse learning needs. Whether you’re a seasoned educator or new to the field, this workshop promises valuable insights and resources to enrich your teaching practice and empower your students on their literacy journey.</p>

DATES	SESSION
<p><b>June 10</b></p>	<p><a href="#"><u>MTSS/PBIS/EWS</u></a></p> <p>Participants will engage in an MTSS Framework designed to identify students not on track and provide tiered interventions and supports. The goal will be to use an early warning system around attendance, behavior, and course performance data to make informed decisions that help students meet their goals. Resources and tools will be provided to help schools align practices, effectively action plan, establish decision rules, review and analyze data, decrease chronic absenteeism/severe behavior occurrences and improve teaming structures in order to implement a multi-tiered system of supports.</p>
<p><b>June 11</b></p>	<p><a href="#"><u>AI Workshop</u></a></p> <p>The AI workshop will focus on the role and implementation of AI in an educational setting. In an ever-changing and evolving technological landscape, AI is set to become the most innovative and progressive change in education since the introduction of the home computer. This workshop will cover the basics of AI, strategies for implementation of AI in the classroom, and a workshop on policies every school should consider adopting! (Gifted Hours)</p>
<p><b>June 12</b></p>	<p><a href="#"><u>Admin Workshop</u></a></p> <p>Admin workshop will address current topics in education, including MTSS, EWS, and PBIS. We will also include topics on parent engagement and vaping. Additionally, time will be available for networking and discussion.</p>
<p><b>June 13</b></p>	<p><a href="#"><u>INDEPTH Facilitator Training</u></a></p> <p>Developed by the American Lung Association in partnership with the Prevention Research Center of West Virginia University, INDEPTH (Intervention for Nicotine Dependence: Education, Prevention, Tobacco, and Health) is a convenient alternative to suspension that helps schools and communities address the teen vaping problem in a supportive way. Instead of solely focusing on punitive measures, INDEPTH is an interactive program that teaches students about nicotine dependence, establishing healthy alternatives, and how to kick the unhealthy addiction that got them in trouble in the first place. Upon successful completion of the INDEPTH training, facilitators will receive a 3-year certification, access to the INDEPTH Facilitator Guide, and resources to plan and implement the program.</p>
